BORDER INDUSTRIAL SOLUTIONS LLC

BORDER INDUSTRIAL SOLUTIONS LLC

# TRUSTED CHOICE FOR INDUSTRIAL SUPPLIES AND MRO SERVICES

At Border Industrial Solutions LLC, our comprehensive range of services and solutions is designed to empower manufacturers in El Paso, Texas, and Ciudad Juárez, Chihuahua, to excel in their operations.

We understand the critical role that efficient and reliable operations play in these sectors, and our solutions are designed to optimize productivity, enhance quality, and ensure compliance with industry standards.

## INDUSTRIES WE SERVE

### Electronics Assembly

The assembly of electronic components necessitates specific tools and safeguards against the harmful impact of electrostatic discharge (ESD). Our experts are available to assist you in finding the appropriate products to minimize production losses and enhance the quality of your products.

### Medical Device Manufacturing

Our customers rely on our proficiency in procuring personal protective equipment, sterile supplies, monitoring solutions, and equipment that prevents contamination. They count on us to assist them in upholding the rigorous standards and demands of medical device manufacturing.

### Automotive Manufacturing

It encompasses a vast array of processes, including vehicle assembly, engine manufacturing, and component production. As industrial suppliers, our role in this industry is crucial, as we provide the essential materials, machinery, and components that enable automotive manufacturers to streamline their production processes, enhance product quality, and ultimately deliver innovative and reliable vehicles to consumers worldwide.

### Among Others

Whether it's precision machining tools for the automotive industry, specialized equipment for electronics assembly, or safety gear for aerospace facilities, our company has the expertise and product range to meet the unique needs of each industry.

# MATERIAL SUPPLY

Border Industrial Solutions LLC is a prominent supplier of maintenance, repair, and operations (MRO) items essential for the global functioning of businesses. We consistently refine our product selections to align with the specific requirements of our customers.

## CATEGORIES

### STORAGE & MATERIAL HANDLING

Enhance your facility's security storage for personal belongings, narcotics storage, gear storage, and more

### CARTS AND TRANSPORTATION

Effortlessly move products and components within your facility using utility carts, dolly trucks, and similar equipment.

### WORKSTATION MOBILE CARTS

Battery-powered mobile workstations designed to accommodate computers, monitors, printers, and more. Ideal for both warehouses and retail settings.

### MATS AND FLOORING

Whether you need flooring for a single workstation or an entire facility, our mat and flooring solutions ensure the comfort and safety of your workers.

### WASTE MANAGEMENT

Maintain cleanliness and safety in your facility or warehouse with our waste management options, including trash and recycling bins.

### FLOOR MARKINGS AND SAFETY SIGNAGE

Improve worker safety, reduce unnecessary foot traffic, and minimize errors by utilizing aisle tape, floor safety signs, and proper labeling.

### WORK PLATFORMS

Durable and modular platforms and ramps that mitigate trip hazards and protect exposed cables, hoses, and equipment in high-traffic industrial areas.

### STRIP DOORS

PVC Strip Door Curtains provide an effective solution for preventing the transfer of dust, cold air, and noise between separate areas.

### SOFTWALL PARTITIONS AND ENCLOSURES

Softwall partitions and enclosures offer a flexible alternative to traditional rigid wall construction when segregating or enclosing specific processes or areas.

### TOOLS AND TEST EQUIPMENT

From hand tools and screwdrivers to power tools. Test equipment from multimeters, oscilloscopes, calipers, and more. We offer a comprehensive selection of high-quality tools.

### SAFETY WEAR

From hard hats and safety goggles to high-visibility vests and flame-resistant clothing, we offer a comprehensive range of safety gear that meets industry standards.

### LABS & HEALTHCARE

Microscopes, centrifuges, and incubators for scientific research, as well as medical supplies like gloves, masks, and sterilization equipment for healthcare professionals.

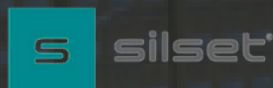

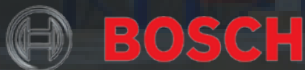

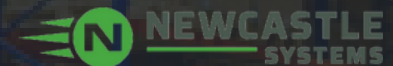

# MATERIAL SUPPLY

We take pride in our commitment to sourcing only the best brands across a diverse range of industrial supply categories. We ensure that every product we offer is of the highest quality and represents the best in its category.

Our dedication to excellence ensures that our customers receive top-notch industrial supplies they can rely on for optimal performance and safety.

## BRANDS

AMONG OTHERS

# SOLDERING EQUIPMENT

## Soldering Hardware

- Solder Irons & Handpieces
- Soldering Stations
- Rework & Repair Stations
- BGA Rework Systems

## Solder Tips & Tip Care

- Solder Tips
- Desolder Tips & Nozzles
- Hot Air Rework Nozzles
- Tip Tinner & Cleaner
- Tip Testers & Thermometers
- Solder Iron Stands

## PCB Repair Kits & Tools

- PCB Repair Kits
- Probes & Spudgers
- PCB Holders
- Brushes
- Cutters
- Tweezers
- Pliers
- Heat Guns

## Soldering Accessories

- Fume Extractors
- Solder Pots
- Pre-Heaters
- Vacuum Pick-Up Tools
- Replacement Parts
- Solder Masking Tape

# SOLDERING CONSUMABLES

## Solder & Flux

- Wire Solder
- Bar Solder
- Solder Flux
- Solder Paste
